

VALOR™ H100 BASE

HVLP SPRAY GUN

#8277H	VALOR H100 Spray Gun (Spray Gun Only)
#8277H-A	VALOR H100 Spray Gun with 600cc Aluminum Cup
#8277H-N	VALOR H100 Spray Gun with 600cc Nylon Cup

Meet the **VALOR H100 BASE** – the ultralight base coat spray gun for precision and speed. Crafted for automotive pros, it delivers flawless and smooth coverage. The lightweight, ergonomic design reduces fatigue, while the responsive trigger is tuned for total control. Side-mounted fan control with clear markings makes dialing in settings easy, and its high transfer efficiency and wide fan pattern mean faster jobs with less waste. With fewer internal components for easy cleaning, a durable anodized aluminum body, and compatibility with PPS and major cup systems, it's your go-to base coat workhorse.
